This to certify that Dr.Mohan Shanker is known to me for the past nine years.He was in my hospital for the past four years and had a very good training in oral&maxillofacial surgical procedures which includes minor oral surgery, and major oral surgical proeedures.

He has been exposed to different type of reconstructive procedures, orthognathic surgery, T.M.Joint problems, & Maxillofacial Trauma.His interest in learning the work has encouraged us to teach him the maximum in the concerned speciality.

The Dedication, Sincerity& the Involvement in the work by him is commendable.Iam Sure if given an opportunity he will prove his ability & Dexterity of work to the utmost satisfaction of his superiors.

Dr.Mohan Shanker was my Student and not related to me.
